

EXPLANATION ABOUT THE MONEY USED.

The total amount used was Tshs. 6,011,160.00 Among that amount we were donated Tshs. 1,856,000/= by Salama Watoto Donors (NGO) from Germany which was brought by MS. Sarina when she visited our Centre Comfort Majani Mapana Tanga Tanzania.

The remaining amount which we used to boost our projects was from Day Care Project (Nursery) Catering, and loans form credit shops, and also in chick rearing we usually get surplus of 100,000/= to 150,000/= every after two months, and this amount we use it in paying the contributions of the School needs like water, security etc.

THANKS.

Comfort Management and OVCs are sending their true thanks to all donors at German for what you did to us. Carering and assisting our children in School needs. May **GOD BLESS YOU ALL.** We are still praying for you day and night.

Yours
